K-9 SCENT WORK**90-MINUTE CLASSES / 5 WEEKS @ \$175.00**

The sport of Scent Work celebrates the joy of sniffing, turning your dog's favorite activity into a rewarding game. Scent Work is based on the work of professional detection dogs, and it's a wonderful way to build confidence in a shy dog. Teamwork is necessary: when the dog finds the scent, it has to communicate the find to the handler, who calls it out to the judge.

Instructor: **Lynne Godshall** Cell: 856-986-1345

GENERAL INFORMATION

We are compliant with NJ recommendations and requirements for COVID-19 safety, including but not limited to mandatory mask usage, employee wellness checks, and cleaning/sanitization protocols. These are subject to change without notice, per state and local mandate. If you have questions about current requirements, please contact your instructor.

INCLEMENT WEATHER / CANCELLATIONS

In case of bad weather for outdoor classes, call your instructor or Dottie Allen at 856-234-6117 to check for cancellations. Alternate phone number for cancellations: Allen's Kennel main office at 856-235-0196.

WALK-INS: \$30 PER CLASS for 1 hour class, \$45.00 PER CLASS for 90 minute Scent work classes

Before you drop in on a scheduled class, it is highly recommended that you call to ensure there is space available and that there have not been changes to the class meeting time or place. Walk-in participants will be charged \$30 per class meeting for the first dog, \$20 for the second dog. And \$15 any additional dogs

MAKE-UPS (FOR PLANNED ABSENCES)

In order to be eligible for a make-up class, you must notify your instructor in advance of your planned absence. Make-up classes must be scheduled during the same session as the missed class. Make-ups do not carry over between semesters.

PRIVATE CLASSES

Private training is available and can be held on property or at-home. Call Dottie Allen at 856-234-6117 for more information.

FACILITY RENTALS

We offer hourly and daily rentals for: (1) our indoor, climate-controlled training building, (2) outdoor, lighted and fenced field, and (3) dog agility equipment. Check our website for more info and pricing at allenskennels.com or call Dottie Allen at 856-234-6117 to reserve.

COLLARS & LEASHES

Select a collar and leash that will work best for you and your dog. Generally, harnesses should be avoided but may be used in Scent Work. Scent Work also requires a longer leash than most other competition events. If you have questions about the type of collar or leash that may be best for your class, please call your instructor.

TREATS & TOYS

Bring plenty of treats to each class! If you think you have enough, bring twice that amount, especially in the beginning as you're just learning how to motivate your dog during training. Treats should be soft and small, bite-sized pieces. Your dog should be able to swallow the treat quickly and easily. Do not bring dog biscuits, as they're too large and crunchy. Ideal treats examples: very small pieces of hot dog, string cheese, or liverwurst. In general, you may want to bring something other than small pieces of your dog's everyday kibble, as they may not be as motivated by this as they would by a "special treat." While many dogs are motivated by food, some may prefer a special toy. Training toys should only be used during training and then put away when training is done to maintain a high level of interest and desire.

POSITIVE REINFORCEMENT

Why do we use food? Food is a positive motivator and can be used to reinforce desired behaviors. In class, we use food to help match a desired behavior with a "command word." It's also used as a reward for doing a good job. Food is never used as a bribe. It is a useful training tool that will eventually be eliminated from training so your dog does not become dependent on it. We believe training should be fun for both dog and handler, and we have seen that building excitement and giving praise leads to sustainable success. Training tactics that rely on negative reinforcement or yelling lead to fear and avoidance behaviors—and ultimately, less successful dog/handler teams.

PUPPY KINDERGARTEN

Puppy Kindergarten classes will offer a class time and a playtime segment. The playtime segment will allow for development of socialization skills through interaction with the other puppies. Puppies completing the class successfully will be eligible for the AKC S.T.A.R. Puppy certification
